**Mahila Mahavidyalaya, Karad**  
**Alumni Feedback**  
**Year 2021-22**

**Objective:**

Since Alumni survey is a retrospective assessment of the college on various dimensions, it intended to measure alumni experience and satisfaction with all areas of their learning experience to generate insights into institutional quality improvements.

**Feedback from the Alumni:**

A questionnaire was provided to 100 alumni comprising fourteen questions. 69% students recorded positive response about Admission as very good while 48% students rated Fee Structure of the college as very good. 60% students were satisfied with overall environment of the college. Most of the students rated infrastructure and lab facility as satisfactory. 64% students rated the teaching faculty and library facilities as very good. Regarding academic and academic activities conducted by college activities conducted by college, 64% students stated that they participated in academic activities sand rated the activities as very good. 46% students were satisfied with canteen facility and 38% rated hostel facility provided by college as very good. The questions concerning alumni association, programmess, alumni website, were rated by 61% students as satisfactory. 60% alumni gave very good opinion about overall rating of the college.

**Suggestions by the Alumni:**

- The college should start degree level departments of Political Science, Sociology, Home Science, and post graduate departments of Marathi, Hindi, English, and Commerce.
- More attention should be given to Sports.
- The college give concession in college fees.
- The placement cell in the college should be more active.
